

THE TRADEMARK EASY GARDEN BY PALAZZETTI

A long history dedicated to the Garden, a wide range of products: fixed masonry barbecues, pizza ovens, gas cooking plates, modular outdoor kitchens, slabs for sun umbrellas, borders and steps.

Our customers: DIY stores, Mass markets, Purchasing Groups, E-commerce, Garden Center Groups and other groups of specialists.

Our motto is: *the outdoors inspires us*

Simplicity: aesthetics, functional and robust, Easy Garden products are designed to integrate easily into any open space, from balcony to terrace, from porche to large garden, and the style varies from classic to contemporary. All products are easy to use, maintain and above all **stress-free cleaning**.

Creative thinking: The latest innovations presented allow to give free rein to imagination and create a comfortable and friendly outdoor living space at home.

Modularity meaning: Wide range of worktop, sink, gas, corner, storage modules, to compose your outdoor kitchen, from the simplest to the most complete.
