

THE TRADEMARK EASY GARDEN BY PALAZZETTI

TAKE A LOOK AT OUR FIRE PITS!

The design is very elegant, all you have to do is light your fire pit to create magic: the fire that warms you up, the hotplates on which everyone can cook their favorite foods as they want, the fire to liven up and light up your evenings.

And this all year round, at all times, whether the weather is nice or cold.

Quality: 3 mm thick steel, 4 cooking plates in 8 mm thick food grade stainless steel.

Creativity: Optional shelves, in stainless steel or HPL, to make a standing table or to place glasses and plates on. Give free rein to fantasy and create a comfortable and friendly outdoor living space at home.

Optional stools for sitting around the fire.

STAND JDC: L 30
